

Information Systems Tutorial “two” 2

Operating Systems

Write your answers into to the word document using any word processor application. Save your document as name_icasNo_qualification eg Noble_Nzama_12354_Bsc2ndyear then convert it to PDF and submit it into this link <https://www.dropbox.com/request/yuT287oFQHpCJujx67Ki> before Friday 00:00 (21/08/2020)

- 1) How could a company decide at what point stock becomes dead stock?
- 2) How can companies deal with the disruption that implementing an ERP creates?
